

CERTIFICATION

This is to certify that at the request of the owner, the Board of Education of the Madison Local School District, I have surveyed and platted the land shown hereon and containing 20.543 acres.

At all points so indicated monuments were either found or set. All points designated "Iron Pin Set" are marked with a 5/8 inch diameter by 30 inches long steel reinforcing bar capped with a 1-1/4 inch diameter yellow plastic disc bearing the inscription "CT CONSULTANTS."

Distances are shown in feet and decimal parts thereof and bearings used herein are based upon North American Datum of 1983 (NAD83), all of which are correct to the best of my knowledge and belief.

This plat and the survey upon which it is based comply with the requirements of Ohio Administrative Code Chapter 4733-37, "Minimum Requirements for Boundary Surveys in the State of Ohio." Pursuant to the accuracy standards as adopted by the State of Ohio (ORC 157.07), the undersigned further certifies that in my professional opinion as a registered surveyor in the State of Ohio, the relative positional accuracy of this survey does not exceed that which is specified therein.
