SURVEY OF
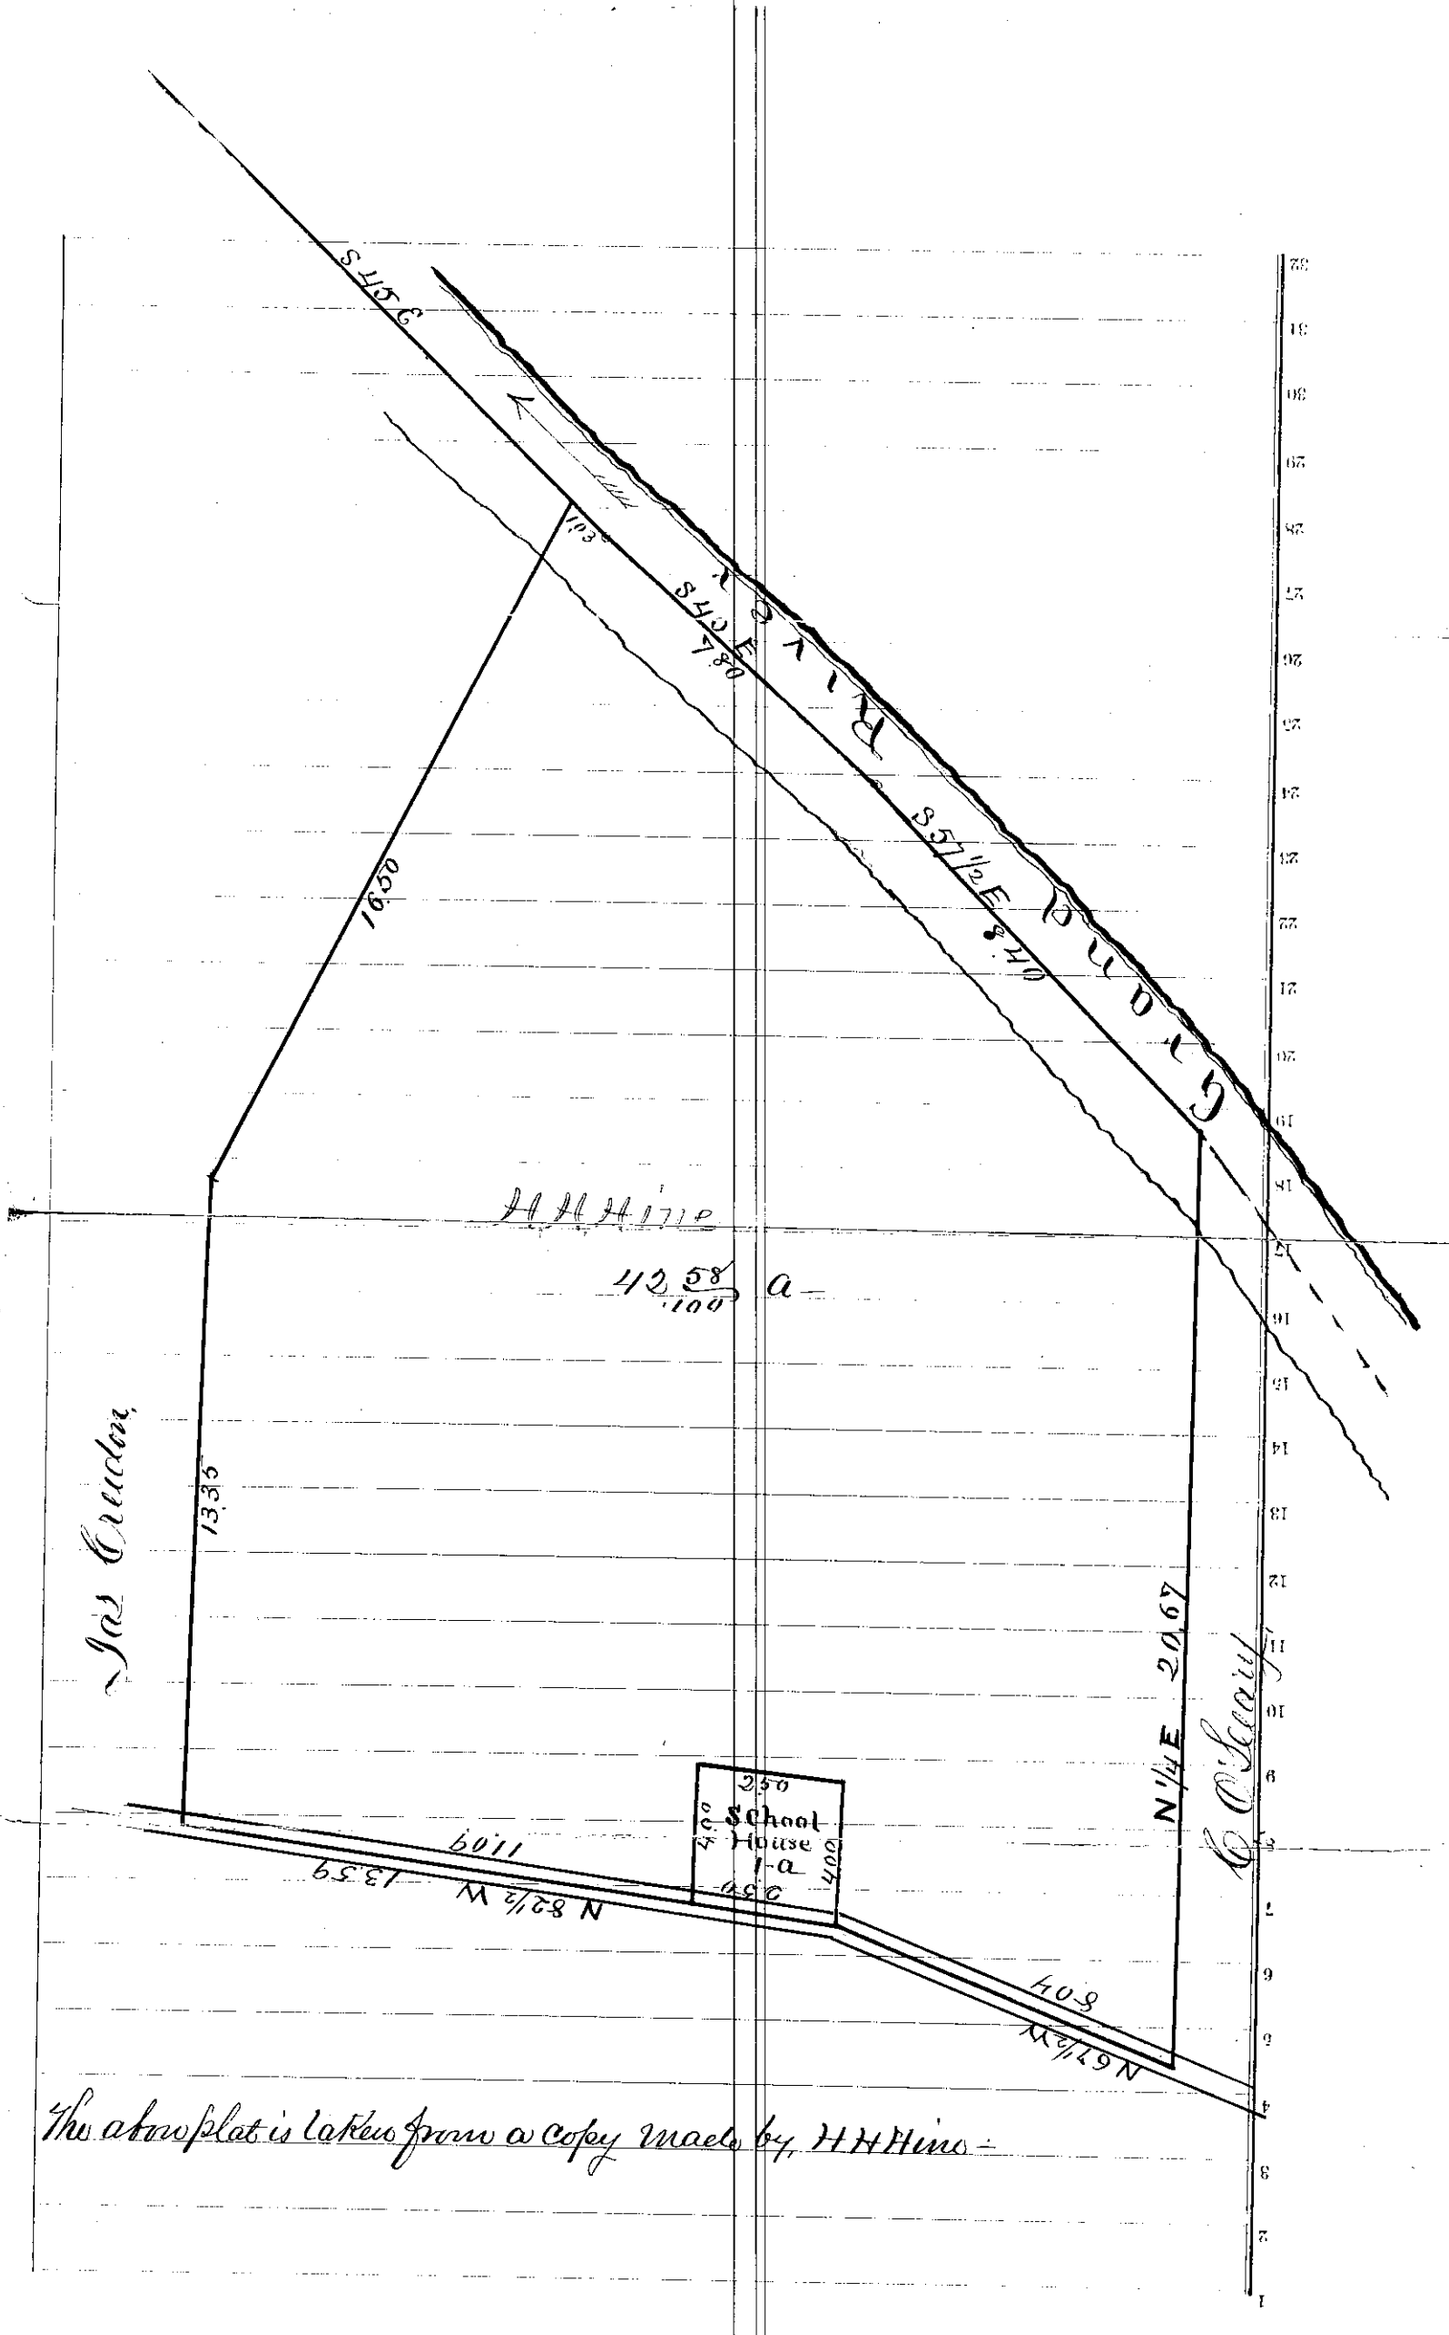
PART OF LOT 6-TRACT 2-
PAINESVILLE, TWP, O.

Scale, 1 inch = 60 feet. Surveyed Mch. 1, 1906
H. P. Cumings, Surveyor.

The accompanying plat is a correct exhibit of an accurate survey made by me Mch. 1, 1901 of lands conveyed to George Welch by John W. Welch and wife by deed dated July 19, 1900 and recorded in Lake County records of Deeds Vol. 31, page 490. Said deed gave the acreage of the lands described as eight (8) acres but the same surveyed out $8\frac{07}{100}$ acres, which was divided into three parcels as indicated on the plat.

All of which I certify to be correct.

H. P. Cumings,
Surveyor.



The above plat is taken from a copy made by H H Hine.
